**Join Us for a Fun Tour!**

You'll never forget your Show Me Seattle tour guides. We're the best in the city. We are multi-talented with backgrounds in acting, writing, international touring and business. We take pride in showing you our city and have a great time doing it. We offer a fully escorted and guided tour through the Ballard Locks.

**In & Around the City**

We make three to four great stops while on our Seattle journey. It's a visual treat at each turn so don't forget your camera for those Kodak moments. Mystery treats are included on each tour. We provide umbrellas to ward off Seattle's famous mists whenever we venture from our comfortable shuttle, but please dress for the weather. On the road we'll give you the low down on Seattle living, with plenty of fun commentary.

We'll cover a lot during your tour: real estate, architecture, the economy, what's growing in our yards, and of course we'll talk about the weather. Show Me Seattle stays on top of what's happening in Seattle.
